

# *The Heritage*

**Rich in the Advent Tradition**

///ADVENT®

# The Heritage 399<sup>95</sup> EA.

Continuing in the Advent tradition of exceptional quality at moderate cost, the Heritage provides outstanding home stereo speaker performance and styling that is unmatched by virtually any two-way speaker.

The Advent Heritage speaker system features an innovative dual woofer design engineered to provide the utmost in performance and fully capable of satisfying the extremely high power handling demands of today's CDs and digital tapes.

Perfectly matched dual 8" high excursion woofers are combined with a 1" ferrofluid-filled parabolic soft dome tweeter and a precision crossover network which utilizes both woofers at low frequencies and directs midrange frequencies to the center-positioned woofer. The result is a tight, clean bass, sharper midrange, and a crystalline high end with smooth frequency response and increased dispersion for enhanced soundstage imaging and accuracy.

Performance characteristics of the Advent Heritage include a remarkable 600 watts peak power handling capability with 150 watts RMS and a frequency response of 42 Hz-23 kHz ( $\pm 3$  dB).

The Heritage also continues the Advent tradition of elegant cabinetry. Handsomely styled and carefully constructed from oiled solid pecan wood, the luxurious appearance of the Advent Heritage, accented by its attractive grille, will enhance any interior decor.

## Advent Heritage Specifications\*

<b>Frequency response</b>	42 Hz to 23 kHz $\pm 3$ dB
<b>Tweeter dispersion</b>	Less than $\pm 1$ dB variance 30° vertical or horizontal to 13 kHz
<b>Impedance</b>	6 ohms nominal 4 ohms minimum
<b>Power handling</b>	600 watts peak 150 watts RMS
<b>Sensitivity</b>	89.5 dB @ 2.83 volts @ 1 meter
<b>Crossover frequency</b>	3.5 kHz
<b>Resonance</b>	55 Hz $\pm 5$ Hz
<b>Harmonic distortion</b>	Less than .5% above 75 Hz @ 1 watt
<b>Useable frequency range</b>	Low: 34 Hz -8 dB High: 23 kHz -3 dB
<b>Tweeter</b>	1" ferrofluid-filled parabolic soft dome
<b>Woofer</b>	Dual 8" high-excursion with aluminum coil form
<b>Cabinet size</b>	37 $\frac{3}{4}$ " H x 10 $\frac{1}{2}$ " W x 13 $\frac{1}{16}$ " D
<b>Weight</b>	46 lbs.
<b>Finish</b>	Oiled solid pecan wood
